

## Assignment – Personal Word Cloud

- Use wordart.com to create a personal word cloud about you.
- Use words that describe you
  - Your family (No last names)
  - Interests
  - Hobbies
- Your name
  - Should be a larger size than all other words
  - Change the color so it stands out compared the other words
  - NO last name
- Take your time and put good effort into this Personal Word Cloud as it will be displayed on the Home (1<sup>st</sup>) Page of your Web site which will not only be viewed in class, but anyone with Internet access throughout the World.
- When finished, share your Personal Word Cloud which was saved to your Google Drive with Mr. Bratina ([bratig@btsd.k12.wi.us](mailto:bratig@btsd.k12.wi.us))
  - Open your **Web20** folder created earlier in class
  - Right-Click on your Personal Word Cloud (*BioXX.png*)
  - Select Share using Google Drive

- Type in my email address (shown above) and Click **Send**
